

ORDINANCE NUMBER 156

EIGHTH STREET SEWER TO WADDELL AVENUE

AN ORDINANCE authorizing the adoption and construction of a public sewer on Eighth street between Heslep avenue and Waddell avenue, in the Borough of Donora, Washington County, Pennsylvania, and providing for the payment of the cost of the same.

Whereas, it appears by petition and affidavit accepted and approved by the Burgess and Council of the Borough of Donora, Washington County, Pennsylvania, that a majority of the owners of the real property, both in interest and number, bounding and abutting on Eighth Street between Heslep Avenue and Waddell Avenue in said borough, have petitioned said Council to enact an ordinance authorizing the adoption and construction of a public sewer in said street between the points aforesaid, and the said Council is desirous of enacting such ordinance and constructing such sewer, therefore,

Be it ordained and enacted by the Council of the Borough of Donora, in the county of Washington, and state of Pennsylvania, in regular meeting assembled, and it is hereby ordained and enacted by the authority of the same.

Section 1. That a public sewer be, and the same is hereby authorized to be adopted and constructed in Eighth street between Heslep Avenue and Waddell Avenue. Said sewer shall be constructed of Terra Cotta Sewer Pipe of the sizes and dimensions mentioned in and conform strictly with the plans and specifications of the Borough Engineer, approved by the president of the Council and the Committee on Highways and Sewers of said borough.

Section 2. That the President of the Council and the Chairman of the Committee on Highways and Sewers, are hereby authorized and directed to advertise for bids, and receive proposals for the construction of said sewer as aforesaid; they are hereby authorized, upon the approval of the same by the Council to let contract or contracts therefor to any responsible party or parties, such being the lowest bidder or bidders, and upon such party or parties giving satisfactory security to complete the work in strict conformity with the plans and specifications which shall be furnished by the Borough Engineer, so approved as aforesaid, and the work shall be done under the supervision and direction of the Borough Engineer and the Committee on Highways and Sewers.

Section 3. That the costs and expenses of the adoption and construction of said sewer, shall be ascertained upon the completion of the same and shall be assessed as a sewer tax upon the properties bounding and abutting on Eighth street between the points aforesaid, in accordance with the foot front rate, and be col-
