

ORDINANCE NUMBER 28

McKEAN AVENUE SEWER SIXTH TO EIGHTH STREET

AN ORDINANCE---To authorize the construction of a public sewer in the Borough of Donora, Washington County, Pennsylvania, beginning at the center of McKean Avenue, sixty-eight and five tenths (68.5 ft.) feet at a distance north from center of Sixth street and curving under west sidewalk of said avenue, continues in a northerly direction to a flush tank under said sidewalk; and also beginning at a point in the center of McKean avenue, one hundred and two (102 ft.) feet at a distance south from a manhole in Eighth street and curving under west sidewalk of McKean avenue continues in a southerly direction to the flush tank before mentioned; being in all a distance of about Nine hundred (900) feet; and also to authorize the president and chairman of the committee on highways and sewers of the Town Council of said Borough of Donora, to advertise for bids, and to execute and deliver contracts for the construction of said sewer; and for the assessments of the cost and expense for the constructing of the same, according to the various Acts of the General Assembly, in such cases made and provided.

Section 1.--Be it ordained and enacted by the Borough of Donora, Washington county, Pennsylvania, in Council assembled, and it is hereby ordained and enacted by the authority of the same, that a certain sewer be constructed in the Borough of Donora in the following manner and along the route as hereinafter set forth; beginning at a point in the center of McKean avenue at the end of a Twelve (12) inch pipe now laid a distance of Fifty-eight and five-tenths (58.5) feet from a manhole at the center of Sixth street, and running thence by a curve of proper radius to a point in the center of sidewalk on the west side of McKean avenue, and continues in a northerly direction under the center of said sidewalk a distance of about Two Hundred (200) feet to a flush tank; and also beginning at a point in the center of McKean Avenue, One Hundred and Two (102) feet from a manhole in Eighth street, and running thence by a curve of proper radius to a point under the center of sidewalk on the west side of McKean avenue, thence continues in the center of sidewalk in a southerly direction, a distance of about seven hundred (700) feet to a flush tank before mentioned. The entire length of said sewer being about Nine hundred (900) feet, more or less.

Section 2.--That such sewer shall be constructed of twelve inch diameter Terra Cotta sewer pipe with proper lot connections from west side of street.

Section 3.--The president and chariman of the committee on highways and sewers of said Borough of Donora are hereby directed to advertise for bids for the construction of said sewer, according to the plans and specifications prepared

ORDINANCE NUMBER 28

and approved by the Borough Engineer and said chairman of the committee on highways and sewers; and said president and chairman of said committee are hereby authorized and empowered to execute and deliver for and on behalf of said Borough, proper contracts and agreements for the construction thereof, upon such terms as the Council may approve and direct.

Section 4.--The benefits, damages, costs and expenses of the construction of said sewer shall be assessed and collected according to the various Acts of Assembly, in such cases made and provided.

Section 5.--That the within proposed ordinance shall be published, at length, in the "Donora American," a news paper of general circulation in said county of Washington, Pa., and that not less than Twelve (12) of said ordinances shall be posted at various and conspicuous places in said Borough of Donora, at least Ten (10) days before the same shall go into effect.

Ordained and enacted in Council assembled this Third day of February, A.D. 1902.

EDMOND JEFFRIES,

President of Council.

ATTEST:

ROMAN E. KOEHLER,
Borough Clerk.

Approved this 4th day of February, A.D., 1902.

BERT W. CASTNER,
Chief Burgess.
