

## **ORDINANCE NO. 1305**

AN ORDINANCE AMENDING ORDINANCE NO. 1289 OF THE BOROUGH OF DONORA, WASHINGTON COUNTY, COMMONWEALTH OF PENNSYLVANIA, REGARDING THE MAKING OF OPENINGS AND EXCAVATIONS IN STREETS, ALLEYS AND WAYS IN THE BOROUGH OF DONORA AND THE PROTECTION, REFILLING, RESURFACING AND REPAVING OF THE SAME AND PROVIDING PENALTIES FOR VIOLATION THEREOF.

BE IT ENACTED AND ORDAINED by the Council of the Borough of Donora, Washington County, Pennsylvania; and it is hereby ordained and enacted by the authority of the same, that Borough of Donora Ordinance No. 1289 regarding the making of openings and excavations in streets, alleys and ways in the Borough of Donora and the protection, refilling, resurfacing and repaving of the same and providing penalties for violation thereof be amended to include the following sections:

### **SECTION XIV**

If the permittee opens pavement having a bituminous concrete surface and the Borough of Donora's wearing course is less than five (5) years old, the permittee shall, in addition to the restoration conditions outlined in the permit and in this section, overlay the pavement in accordance with the following conditions:

- (i) When a longitudinal opening longer than 100 linear feet has been made in the pavement, the permittee shall overlay the traffic lanes in which the opening was made, for the entire length of highway that was opened, in a manner authorized by the Borough of Donora.
- (ii) When two or more transverse openings have been made within 100 linear feet of pavement, the permittee shall overlay traffic lanes in which the openings were made, for the entire length of highway between the openings, in a manner authorized by the Borough of Donora.
- (iii) When 4 or more emergency openings have been made by the same permittee within 100 linear feet of pavement, the permittee shall overlay traffic lanes in which the openings were made, for the entire length of highway between the openings, in a manner authorized by the Borough of Donora.
- (iv) If disturbed lanes adjacent to undisturbed lanes are overlaid, the edge of the disturbed lane shall be saw cut or milled to a depth of 1½ inch or the depth of the existing surface course, whichever is less, for the length of the opening to insure a smooth joint, with proper elevation and cross section. A full width overlay may be authorized on various highways instead of saw cutting or milling the disturbed lane.
- (v) If disturbed lanes adjacent to shoulders are overlaid, the shoulder shall be raised, with material and in a manner authorized by the Borough of Donora for the type of existing shoulder, so that the overlaid pavement and shoulder edges are at the same elevation.

## **SECTION XV**

Regardless of the age of the wearing course:

- (i) If more than 100 linear feet of longitudinal or transverse openings, or both, are made in the pavement, the Borough of Donora may require the permittee to overlay traffic lanes in which the openings were made, for the entire length of highway that was opened, if the district office determines that the rideability or structural integrity of the pavement has been impaired by the openings.
- (ii) If four or more openings are made by the same permittee within 100 linear feet of pavement, the district office may require the permittee to restore the entire disturbed pavement between the openings by milling, planing or other authorized method and overlaying the entire disturbed pavement.

## **SECTION XVI**

If an opening is made in a bituminous concrete pavement within three (3) feet from the edge of pavement or other longitudinal joint or opening, the surface restoration shall be extended to the edge of pavement or other longitudinal joint or opening.

## **SECTION XVII**

Any Ordinance or parts of any Ordinance in conflict or inconsistent with the provisions of this amending Ordinance are hereby repealed to the extent of such conflict or inconsistency.

**SECTION XVIII**

All other provisions of Ordinance Number 1289 not inconsistent with the terms and conditions set forth in this amending Ordinance shall remain in full force and effect.
